The fast growing residential demographic in the area and construction of substantial infrastructure has resulted in an increase in business activity. Westfield Coomera Shopping Centre as well as many local businesses and stores can be accessed within minutes.

Access on and off the M1 Pacific Motorway is via Exits 49 and 54 and located less than 3kms from the subject property.

This tightly held precinct has little industrial land left to develop resulting in positive future growth potential for properties within the area.
